EXPLANATION

1 This bill provides for the creation of a veterans' bonus  
2 fund within the state treasury for the provision of bonuses to  
3 veterans of the United States military who served during the  
4 period of certain conflicts.

5 The bonus fund would be available to certain members of the  
6 United States armed forces who served in active duty during  
7 the military conflicts in Lebanon, Granada, Panama, and the  
8 Persian Gulf. The bill provides certain dates for the periods  
9 of these conflicts. The bill provides that veterans who served  
10 in conflict service areas during these periods will receive  
11 a larger bonus for their service than veterans who did not  
12 serve in a conflict service area. The bill provides for the  
13 computation of such payments based upon months of service  
14 either in or outside of a conflict service area. A person who  
15 served in a conflict service area will not receive more than a  
16 \$500 bonus and a person who did not serve in a conflict service  
17 area will not receive more than a \$300 bonus from the fund.

18 The bill requires that a veteran must meet additional  
19 requirements to qualify for a bonus. The person must not have  
20 received a similar bonus from this state or any other state.  
21 The person must not have refused to be subject to military  
22 discipline on certain grounds. The person must have applied  
23 for a similar bonus and been denied compensation because the  
24 person did not meet residency requirements. The bill also  
25 requires that the person file an application for the bonus from  
26 this fund in order to qualify.

27 Certain other persons including a surviving unremarried  
28 widow or widower, child or children, mother, father, or person  
29 standing in loco parentis of any deceased person shall be paid  
30 the compensation that the deceased person would have been  
31 entitled to. Payments for such compensation may be made to the  
32 first survivor in the order named and none other. The bill  
33 provides that upon certain service-related death or disability  
34 that the veteran or first survivor will be paid the highest  
35 possible contribution permitted to that individual allowed by

1 the fund.

2 The bill provides that knowingly making a false statement  
3 of material fact supporting an application to receive these  
4 funds is a serious misdemeanor. The bill also provides that a  
5 conviction on such a charge would result in forfeiture of any  
6 rights to collect from the fund.

7 Moneys received from the fund are exempt from taxation,  
8 levy, and sale on execution. The director of the department of  
9 veterans affairs is to administer the fund and adopt rules as  
10 necessary for the fund's administration.
